Scripts/Referrals

Our doctors do not do repeat scripts and/or referrals without an appointment.

Procedures

All procedures are billed privately, and payment is required at the time of your appointment. After claiming from Medicare, you will be out of pocket from \$50.

Other Tests and Examinations

From time to time your doctor may request examinations/tests to be completed within the clinic to assist with your diagnosis or ongoing care. Additional charges may apply, and your doctor will discuss these with you at the time of your visit.

Fees are payable at the time of the consultation, we accept cash, EFTPOS, Mastercard and Visa.

We have an integrated EFTPOS and Medicare claiming system which allows you to claim your Medicare rebate while still in the practice. Most claims are rebated on to your debit card immediately.

Please note that all fees charged are at each individual doctor's discretion.
